

Oklahoma Lions Mobile Health Screening Unit Calendar

Please note that this calendar is for information purposes only. Lions must call Dawn Miller, office administrative secretary at the Lions of Oklahoma / Oklahoma Lions Service Foundation 405-947-6540 from 8:30 a.m. to 4:30 p.m. Monday through Friday to schedule the MHSU for their communities. The MHSU can be scheduled for up to one year in advance.

The MHSU schedule is closed by the 20th of each month for the following month (i.e., deadline is April 20 for May schedule). Final arrangements are made by the assigned unit driver/manager usually 7 to 10 days before the scheduled visit.

There is usually a 70-mile travel maximum between sites on successive days (i.e., cannot schedule Tulsa one day and Altus the next day). There may be exceptions made with approval.
