

Melvin Jones Fellows in Oklahoma

Lions Clubs International Foundation

The Melvin Jones Fellowship (MJF) recognizes donations of US \$1,000. It is the backbone of LCIF, providing 75 percent of the foundation's revenue. It is not an award in the tradition of Lions awards presented for specific accomplishments, but recognizes an individual's humanitarian qualities such as generosity, compassion, and concern for the less fortunate. As such, the MJF is an honor presented to those who donate US \$1,000 to LCIF or to people for whom a donation was made by others. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter. Melvin Jones Fellows who make additional US \$1,000 donations to LCIF, or in whose name US \$1,000 donations are made, become part of the Melvin Jones Fellowship **Progressive** program.

- The Fellowship was established in 1973 and the Progressive program began in 1986 in response to Lions' request for a way to extend their commitment to LCIF.
- There are 100 levels in the Progressive program.
- Most of the funds raised during Campaign SightFirst and Campaign SightFirst II were through MJF donations.
- There are 302,745 MJFs worldwide and 55,273 PMJFs, as of January 2010.
- The MJF luncheon began in 1984 and has been held at each international convention since.
- All MJFs are invited to the annual luncheon at the international convention (ticket purchase required) and their names are on a computer list of donors in the LCIF Room at International Headquarters.
- Clubs receive a Melvin Jones Fellow banner patch and chevron the first time a member is honored with a Melvin Jones Fellowship. The club receives a chevron in subsequent years the first time a member is honored with an MJF.

Please help keep this list updated by calling or e-mailing the Oklahoma Lions state office: 405-947-6540 or lionadmin@coxinet.net with corrections, changes or new Fellows.

Each progressive fellowship is denoted by an *.
